High-quality, modular, and portable cabin solutions for site offices & accommodations.

## **Industrial Materials Supply** 10

Reliable supply of high-grade industrial materials meeting international standards.

# Message from the CEO

## Welcome To Globex Trading

It is with great pride and responsibility that I welcome you to our company profile. Since our inception, Globex has remained dedicated to excellence, trust, and value creation for our clients, partners, and communities. Our success is driven by a relentless pursuit of innovation, an unwavering commitment to integrity, and a deep respect for our clients' needs.

At the heart of Globex is a skilled and passionate team—professionals who embrace challenges, drive progress, and consistently deliver exceptional results. Together, we strive to exceed expectations and contribute meaningfully to the industries we serve.

As we look ahead, our focus remains on sustainable growth, digital transformation, and global collaboration. We believe that staying true to our values and maintaining a customer-centric approach will allow us to continue evolving and achieving excellence in every project.

Thank you for taking the time to learn more about us. We look forward to building strong, lasting relationships and achieving remarkable success—together.

**Chief Executive Officer**

Globex Trading Company

## Company Principles

At Globex Trading Company, our principles are built on integrity, innovation, reliability, and respect. We value transparency, teamwork, and safety—ensuring excellence and trust in every project delivered.

### Our Vision

To be the most trusted provider of comprehensive contracting solutions in Saudi Arabia, recognized for reliability, quality, sustainability, and an unwavering commitment to client growth and satisfaction.

### Mission

To deliver dependable, innovative contracting services that empower clients through safety, efficiency and quality, while fostering integrity, continuous improvement, & environmentally responsible growth across all operations.

### Core Values

Integrity, quality, safety, innovation, and teamwork define Globex. We uphold these values to ensure lasting partnerships, sustainable outcomes, and consistent excellence in every service we provide.

# About Us

## 2030

Driving growth and innovation aligned with Saudi Arabia's Vision 2030 goals.

**Globex Trading Company is a premier provider of contracting services across Saudi Arabia, committed to delivering excellence through a comprehensive range of solutions.**

We specialize in manpower supply, equipment rental, material supply, and diverse industrial services, ensuring superior quality, safety, and efficiency across all projects.

### ■ Committed to Excellence

Backed by a skilled workforce and advanced resources, Globex supports the growth and success of clients in multiple industries. Our approach is rooted in transparency, integrity, and long-term partnerships, enabling us to provide dependable, results-driven solutions for every client. From civil construction and MEP works to scaffolding and excavation, we take pride in delivering outcomes that meet international standards and exceed expectations.

### Driven by Integrity & Innovation

At Globex, we continuously strive to raise the bar in contracting excellence—delivering value, building trust, and contributing to the Kingdom's vision for sustainable industrial growth.

### Our Three Core Pillars

01

#### Trusted Partnerships

We cultivate lasting client relationships built on reliability, & mutual growth, ensuring every project achieves long-term success.

02

#### Quality Solutions

Our expert teams and advanced resources ensure efficient, safe, and high-quality results that exceed client expectations.

03

#### Empowering Progress

We align every service with Saudi Arabia's vision for sustainable development, advancing industries and empowering communities.

# Corporate Commitment

## ■ Integrity. Quality. Responsibility.

Globex Trading Company is dedicated to maintaining the highest standards of safety, quality, & environmental responsibility across all business operations and project activities.

Our company policy reflects our unwavering commitment to excellence, client satisfaction, and sustainable growth. We adhere to international standards in safety, quality, and environmental management while continuously improving our systems and practices. By fostering accountability and teamwork, we ensure every operation meets our core values of integrity, efficiency, and long-term reliability.

## ■ Quality Policy

We are committed to delivering services that meet client requirements through continuous improvement, strict quality control & adherence to global standards.

## ■ Safety Policy

Safety is our highest priority. We ensure a secure work environment through training, compliance, and proactive risk prevention across all operations.

## ■ Sustainability

We promote sustainability by minimizing environmental impact, conserving resources, and integrating eco-friendly practices into every phase of our operations.

# Equipment Rental

## For Saudi Industry

Globex offers a comprehensive fleet of modern, well-maintained equipment to support construction and industrial operations. Our equipment is regularly inspected and maintained to ensure reliability, safety, and peak performance under demanding conditions.

We provide flexible & client-focused rental terms tailored to meet specific project timelines, operational requirements, and budget constraints—helping our clients maximize productivity, ensure equipment performance, and minimize costly downtime across every stage of their operations.

### Lifting Solutions

Designed for smooth material handling and height-based operations, our lifting equipment ensures efficiency, reach, and operator safety across every project site.

- Hydraulic Cranes
- Crawler Cranes
- Boom Trucks
- Forklifts
- Tower Cranes
- Articulated Man Lifts
- Telescopic Man Lifts
- Mobile Cranes

### Earthmoving

Engineered for excavation, leveling, and heavy-duty construction work, our earthmoving systems deliver superior power and reliability in challenging terrains.

- Bulldozers
- Excavators
- Graders
- Wheel Loaders
- Rock Breakers
- Roller Compactors
- Dump Trucks
- Skid Steer Loaders

### Power & Transport

Built to maintain operational flow, our power and transport units provide on-site energy, logistics, and support for uninterrupted project performance.

- Power Generators
- Air Compressors
- Tower Lights
- Welding Machines
- Low Bed Trailers
- Flatbed Trailers
- Pickups
- Site Vehicles

# Manpower Supply

**Globex ensures clients have access to highly skilled and qualified professionals who meet the unique requirements of each project.**

From engineers and supervisors to operators and technicians, our manpower division delivers talent that enhances efficiency and safety across diverse sectors. Our team members undergo rigorous training and

assessment to ensure top performance and compliance with industry standards. Whether for short-term needs or long-term staffing, Globex provides the right people for the right job—every time.

## Our Manpower Include:

### **1. Engineering Professionals**

Civil Engineers - Mechanical Engineers - Electrical Engineers - Piping & Safety Engineers

### **2. Site & Project Staff**

Site Supervisors - Project Controllers - Schedulers - Riggers - Operators (Crane, Forklift)

### **3. Technical & Skilled Workforce**

Skilled Labor - Semi-Skilled Labor - Technicians - Welders - Fabricators

### **4. Administrative & Support Staff**

Document Controllers - Secretaries - Accountants - Computer Operators - System Administrators

# Scaffolding Material

Comprehensive Scaffolding Solutions for Safe, Reliable, and Efficient Access Across Construction and Maintenance Projects

Globex provides high-quality scaffolding materials designed to ensure maximum safety, stability, and accessibility across construction and industrial projects. Our scaffolding systems meet international safety standards and are suitable for diverse project environments.

With options for both rental and purchase, we offer flexibility to meet client timelines and budgets.

From setup to dismantling, our solutions guarantee dependable support, helping teams work safely and efficiently at any height.

**Delivering reliable, compliant, and flexible scaffolding solutions that ensure safety, stability, and efficiency across every project.**

## Scaffolding Solutions

- **Frame Scaffolding**

Lightweight, easy-to-assemble scaffolding ideal for residential and commercial projects requiring quick setup and strong support.

- **Tube & Coupler**

Flexible system offering versatile configurations for complex structures, ensuring safety and strength at any elevation.

- **Ringlock Systems**

Durable modular scaffolding providing superior load-bearing capacity and rapid assembly for large-scale industrial projects.

- **Scaffolding Accessories**

Includes planks, fittings, and braces designed to enhance safety, balance, and stability across all scaffolding structures.

# Civil Works

**Comprehensive Civil Construction Solutions Delivering Quality, Precision, and Durability for Infrastructure and Structural Development**

Globex specializes in delivering high-quality civil construction and infrastructure projects with a strong focus on precision, safety, and regulatory compliance. From initial groundwork to structural completion, our expert team ensures every phase is executed with technical excellence and attention to detail.

We integrate modern techniques, skilled manpower, and strict quality control to deliver durable, efficient, and sustainable structures that stand the test of time and exceed client expectations.

**Building strong, reliable, and compliant civil structures that ensure lasting quality, safety, and sustainable infrastructure excellence.**

## Core Civil Services

Comprehensive civil construction solutions covering structural, infrastructure, and foundation works with precision, safety, and reliability.

### Structural Construction

Execution of reinforced concrete, steel, and masonry structures ensuring, design accuracy, and engineering excellence.

### Infrastructure Development

Construction of roads, pavements, drainage, and utilities delivering efficiency and long term urban development support.

### Foundation Works

Professional site excavation, leveling, and foundation strengthening ensuring stable base support for all structural projects.

# Porta Cabins

Globex provides high-quality, customizable porta cabins for offices, accommodations, and storage needs. Built for strength, comfort, and insulation, our cabins offer flexible layouts, durable construction, and aesthetic design suitable for diverse industrial and commercial environments.

1

## Portable Site Office Cabins

Designed for on-site operations, our office cabins combine functionality, comfort, and efficiency. Equipped with modern fittings, insulation, and workspace customization options, they enable seamless project coordination while maintaining a professional environment. Built for mobility and durability, these units ensure uninterrupted operations across varying site conditions.

2

## Worker Accommodation Units

Durable and comfortable cabins designed to house workers efficiently at remote or project-based sites. Featuring proper ventilation & insulation, they ensure safety & convenience. Our units meet both temporary and long-term housing requirements with complete structural reliability and easy installation.

3

## Storage and Utility Cabins

Secure cabins ideal for safeguarding tools, materials, and essential equipment on-site. Constructed from robust, insulated panels, they protect against heat, moisture, and dust. Designed for easy relocation, these versatile units ensure efficiency, and safety in managing construction and industrial inventory.

# Fencing Works

## Comprehensive Fencing Solutions Ensuring Security, Durability, & Professional Installation Across Temporary & Permanent Sites

Globex delivers high-quality fencing works tailored to project needs, combining robust materials, precise installation, and reliable protection for assets, personnel, and property across both temporary and permanent applications.

### Fencing Solutions

We provide secure, durable, and visually appealing fencing systems for industrial, commercial, and construction projects. Our solutions include temporary and permanent installations, ensuring safety, accessibility, and long-lasting protection while meeting client specifications.

### Why Choose Us

**Globex delivers reliable, safe, and high-quality contracting solutions, combining expertise, innovation, and client-focused services across every project and industry.**

With skilled professionals, advanced resources, and a commitment to excellence, Globex ensures timely, efficient, and cost-effective project delivery while maintaining the highest standards of safety, quality, and client satisfaction.

### Our Strengths

- Proven Track Record
- Skilled Workforce Team
- Advanced Equipment Support
- Safety-First Approach
- Timely Project Delivery
- Client-Focused Solutions

## Industrial Materials Supply

Globex delivers premium-quality industrial materials for construction, oil & gas, and manufacturing sectors. Our inventory includes essential piping components, welding consumables, and fittings that meet international quality standards.

### 01. Piping Components

High-quality pipes, flanges, and fittings designed for durability, leak prevention, & performance in industrial & construction applications.

### 02. Welding Consumables

Premium welding rods, electrodes, and argon equipment ensuring precision, strength, and reliability for diverse fabrication and maintenance projects.

### 03. Industrial Accessories

Essential materials like gaskets, clamps, reducers, and regulators supporting seamless operations across mechanical and construction industries.

## 100K Quality Materials Supply

Certified materials, performance, and on-time supply for every industrial requirement.

**We guarantee prompt delivery and complete material traceability, empowering clients with dependable, efficient, and consistent supply chain support across every project.**

Globex supplies high-quality industrial materials that meet global standards for strength and performance. Our efficient logistics, quality assurance, and extensive inventory ensure clients receive the right materials on time, every time.

# Industries We Serve

## Empowering Industries Through Expertise and Innovation

Globex serves diverse industries across Saudi Arabia, offering specialized contracting, manpower, and material supply solutions tailored to meet the operational, technical, and developmental needs of each sector efficiently and reliably.

### 1. Construction

Comprehensive manpower, materials, and machinery support for complex development and construction projects.

### 2. Oil & Gas

Trusted industrial solutions ensuring safe, efficient, and compliant operations across energy sectors.

### 3. Manufacturing

Enhancing productivity through reliable workforce, logistics, and material support solutions.

### 4. Utilities & Energy

Providing skilled manpower and equipment for sustainable power and energy infrastructure projects.
